

CLERK: Mr. President, Senator DeCamp now moves to amend. The amendment is on page 919 of the Legislative Journal

SENATOR SAVAGE: Chair recognizes Senator DeCamp.

SENATOR DE CAMP: Mr. President, I'll make it real simple. There is duplication apparently in jurisdiction. This eliminates a double jurisdiction. It deals with the state motor vehicle industry licensing board which regulates and licenses Nebraska dealers and sales persons and manufacturers. The amendment would modify the stipulation that the board could suspend a dealers license for failure to comply with Chapter 60, Article 17. This is already taken care of by the Department of Motor Vehicles and it would just clarify and establish that the jurisdiction is strictly theirs as I understand it. Is that right, Maurice? Maurice says it is okay.

SENATOR SAVAGE: The Chair recognizes Senator Dworak.

SENATOR DWORAK: A question of Senator DeCamp.

SENATOR SAVAGE: Senator DeCamp, will you respond.

SENATOR DWORAK: Question please. You are saying, Senator DeCamp, that they can have their licenses now revoked by the board and by the Department of Motor Vehicles and if we adopt this amendment that they would only be able to have their licenses adopted by the Department of Motor Vehicles? Senator Kremer, will you yield? I'll yield some time to you, Senator Kremer.

SENATOR SAVAGE: Senator Kremer, would you respond?

SENATOR KREMER: Okay, Senator DeCamp's amendment, as I understand it, is talking about a suspension of a dealers license providing that he has, I guess that they call it fraud, sold a vehicle without being properly inspected.

SENATOR DWORAK: Now that license can be suspended by two bodies, is that correct?

SENATOR KREMER: Yes, sir.

SENATOR DWORAK: If this amendment is adopted it can only be suspended by the Department of Motor Vehicles?

SENATOR KREMER: As I understand his amendment right now, and I didn't study it real careful, that if his amendment is adopted then the license can not be suspended just because he sold a motor vehicle without being properly inspected. Is that right?

SENATOR DWORAK: Is this a good idea?

SENATOR KREMER: Only to take some of the authority away from the Department of Motor Vehicles, in my opinion.

SENATOR DWORAK: Senator Kremer, are you supporting this amendment?
